

Short Instructions for paying with PayPal

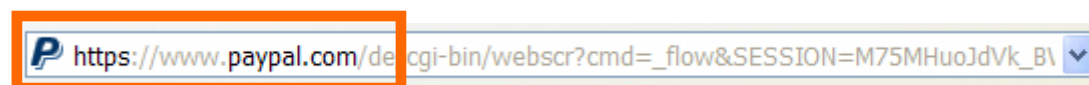

The following guide will give you a quick reference on how to use the PayPal buttons on the Calm-Down-Corner download page. If you then still have any questions about payment, please send us a quick email to mail@calm-down-corner.net - we will answer your questions in any case.

1. How to add PREMIUM piano pieces to the PayPal Shopping Cart

On the PREMIUM piano music download page you will find an "Add to Cart"-Button right next to each piano piece.

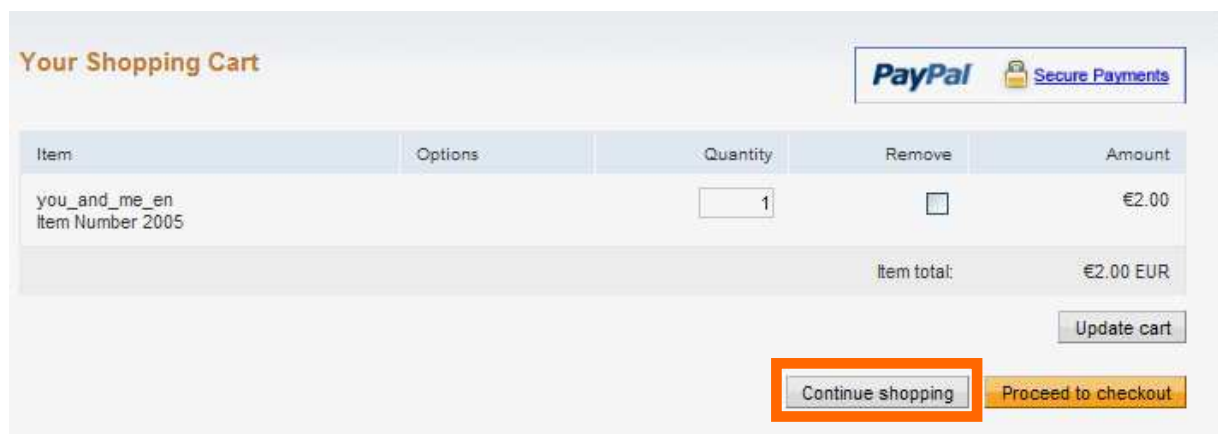

Click here to access a *secure PayPal web page*.

On this page you will see that the piano piece you selected has been added to the cart. You now have 2 options:

a) You want to **add more piano pieces to the cart**. Then click on "continue shopping".

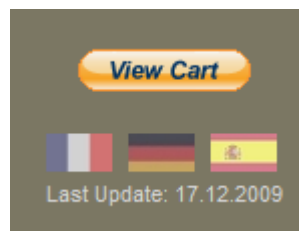

This returns you to the Calm-Down-Corner download page and you can then add other piano pieces to the cart in the manner described above.

b) You **added the wrong piano piece to the cart** by mistake and want to remove it. To do so, tick the check box "Remove" and click on "Update cart".

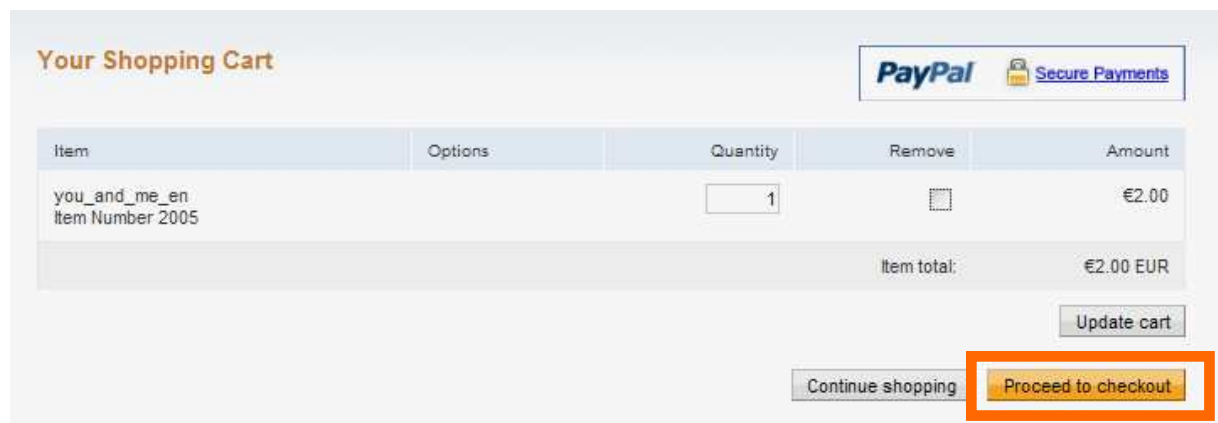

The selected item is removed from the cart. Return to the download page using the "Continue shopping" - Button and make your choice again.

Supplement: You can display the current content of the cart at any time using the "View Cart" - button on the left.

2. How to pay for the piano piece using PayPal

First press "Proceed to checkout".

If you do not have a PayPal account, click on "Continue" next to the related option at the bottom left.
